Excellent. I see that there is a new briefing paper on NHPA attached to next Monday's DB agenda. I read that, but it didn't answer my questions about what our analysis showed and it was somewhat confusing because it seems to suggest that we haven't done/ concluded our analysis.

Suzanne,

We don't have it but are in the process of obtaining it from the program.

I finished review of the draft EJ analysis for DB. It would be helpful to review the NHPA analysis. Do either of you have a copy?

Thanks,  
Suzanne
